From the President

You may be surprised that this newsletter is quite small. It's because your Committee has been working hard on a project, which has had to be faced and which has to do with our future as an Old Scholars' Association.

Our Rules document (i.e. our Constitution) has served us well for a number of years but we believe that now we must bring it more into line with current practice to ensure greater usefulness and longevity. We have found that the current document does not cover certain areas on which a Committee may need to have clear direction. You may think some items in the new document unnecessary - so did some of us at first. Whilst doing this upgrade we felt it necessary to make provision for contingencies, which just possibly could arise. As making changes in a Constitution is quite demanding we felt it best to cover as much as possible at this one time.

Please read the document and send your comments (if any) in writing to reach the Secretary, Judy McKeough 10 Fairway Dr, Seaton SA 5023, by 3rd March.

Don Warren (1943-46)

N.B. Financial Members please find copy enclosed. Other Old Scholars please access copy via the web site or ring Judy McKeough for a copy to be posted. For all other enquiries regarding the proposed new Constitution please ring Lyle Baldock or Peter Keen.
